CENTERING THOUGHT

The work of community, love, reconciliation,
restoration is the work we cannot leave up to
politicians. This is the work we are all called to
do.

PRELUDE

WELCOME & ANNOUNCEMENTS

* CALL TO WORSHIP Brian Ferguson

One: God, You gather us together today with all our fears and hopes and resilience,

Many: to witness Your love for us and Your call for us to love.

One: We admit that this feels hard sometimes, and we are tempted to give into pessimism, cynicism, and apathy.

Many: Remind us that we are one body, even in our disagreements and our division.

One: Remind us that we are individuals called to care for the whole, knowing that our power and strength lies in our compassion and empathy.

Many: Empower us to live into our individual callings and may our callings join the heavens in sharing Your glory. Amen.
